

## Track Diagram For MSTS Route By Bob Wirth ATSF Gallup Sub

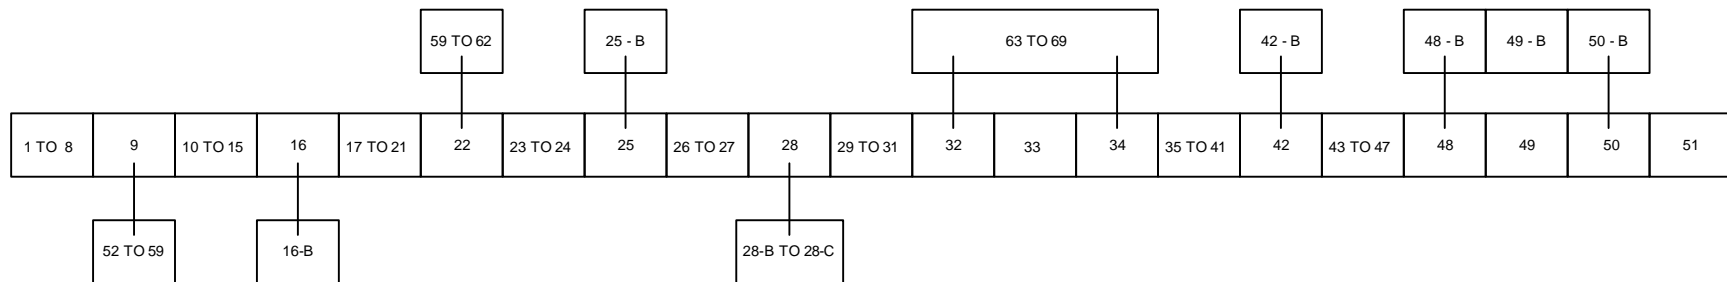

Diagram by Craig Kawahara

## LEGEND

## PAGE LAYOUT / PAGE ALIGNMENT DETAIL

### TRACK DIAGRAM PAGE LAYOUT (77 - LETTER SIZE PAGES)

This diagram depicts the tracks contained in Bob Wirth's ATSF Gallup Sub route for Microsoft Train Simulator. I have taken the liberty of changing some of the station/siding names for the sake of uniformity.

There is no scale. The grade crossings, bridges, etc., are for reference. They are not in their true milepost positions.

Thank you Bob, for your contribution to MSTs.
