| NOTES: (1) Regions with number designators are branches. Letter designations are main line. Fontana is the only branch exception. | | | | | | | | |
| (2) Locations in BOLD lettering are facing point in this direction. | | | | | | | | |
| (3) Locations in Bold and <i>Italic</i> lettering are in areas that allow you to run around your train using the front coupler or train may use wye. | | | | | | | | |
| (4) Main designator indicates accessible from north (N) or south (S) main, (ST) single track region, (HST) Hobart Service Track, (BR) branch line. | | | | | | | | |
